Assessment Task Notification

2026 Year 12 Physics – Progress Test

Use of Artificial Intelligence

No use of AI is allowed	☒
AI is acceptable only for certain sections of the assessment (as specified by teacher) – must be properly referenced	☐
All AI is acceptable – must be properly referenced	☐

Information about the Task: Year 12 Physics Task 3 - Progress Test

Date of Task: Monday 15/06/2026 (Periods 3 or 4 in 13s or 14s)

Task Weighting: 15%

Time Allowed / Structure of Assessment:

- The time allowed is 55 minutes plus 2 minutes of reading time.
- Questions relating to Working Scientifically skills will be integrated throughout the examination.

Outcomes Assessed:

Outcome Code	Outcome
PH11/12-5	analyses and evaluates primary and secondary data and information
PH11/12-6	solves scientific problems using primary and secondary data, critical thinking skills and scientific processes
PH11/12-7	communicates scientific understanding using suitable language and terminology for a specific audience or purpose
PH11/12-14	describes and analyses evidence for the properties of light and evaluates the implications of this evidence modern theories of physics in the contemporary world
PH11/12-15	explains and analyses the evidence supporting the relationship between astronomical events and the nucleosynthesis of atoms and relates these to the development of the current model of the atom

Course Component / Content assessable:

Module 6: Electromagnetism

- 6.3 Electromagnetic Induction** (last 3 content statements only i.e Transformers and Energy transmission)

Module 7: The Nature of Light

- 7.1 Electromagnetic Spectrum** (first 3 content statements only i.e Maxwell's contribution and Speed of light)
- 7.3 Light: Quantum Model** (all content statements)

Module 8: From the Universe to the Atom

- 8.2 Structure of the Atom** (all content statements)
- 8.3 Quantum Mechanical Nature of the Atom** (all content statements)

Instructions/Additional Information:

- All students are to assemble outside their allocated examination venue by no later than the specified time in their examination timetable.
- Students need to bring pens, pencils, eraser, NESA approved calculator, ruler (with mm gradations).
- No technology-based communication devices like smart watches can be worn and/or used during the assessment task as per school policy. These devices will be confiscated from students should they be used or worn during the task.

Regulations:

- The content of this assessment task must be your own work in every aspect. Please refer to the Assessment Handbook for malpractice guidelines.
- An Illness/Misadventure form must be submitted if unable to meet the school's attendance requirements (Years 10 – 12). Please follow Assessment handbook requirements.
- A parent note must be handed in explaining lateness if unable to meet the school's attendance requirements. Please follow Assessment handbook requirements.
